

General Operative

KME Steelworks – Greater Belfast Area/Lisburn

Full Time – Permanent – Day & Evening Shifts

The Company

KME Steelworks is a successful, innovative engineering and manufacturing business, which specialises in the design and manufacture of a wide range of steel products. Our 3 specific areas of expertise centre around: Steel moulds for Precast Concert Products, Lazer cutting and sheet metal fabrication work & Precision CNC Machining. KME Steelworks recently received the award of High Growth Business of the year from Northern Ireland Chamber of Commerce and Industry. Our mission is to deliver on our commitment by providing a quality product on time, every time to enable our clients to plan with absolute confidence.

Our continued expansion needs great people at the heart of it. This is a fantastic opportunity for some-one to join a Growing business.
